

Our Purpose The BC Farm Museum Association's purpose is "to acquire, collect, restore, preserve, and provide a means for displaying for students and the general public those articles of farm and pioneer life of a historical nature."

We are full..!! If you have spent time around and inside the Museum the past five years you will have noticed that both buildings and the yard space are filled to the rafters - literally!

Our Appeal

Please Help Load the Wagon with the funds needed to accomplish a Museum Expansion!

The BC Farm Museum Association has acquired the property next door! Discussions are happening on "the content and design" of a third building to be constructed on that property. Funds are now needed to accomplish that.

To Help us Grow - Help Load the Wagon!

Tax receipts available! *Major Donations recognized on the Museum DONOR board!*

To Help Load the Wagon Please contact **Karen Long 604-418-9507** or **Grace Muller 604-908-0823** or email the museum office at bcfm@telus.net
